*Jazz Boot Camp 1 (ages 7-9), Jazz Boot Camp 2 (ages 9-12) & Jazz Boot Camp 3 (ages 13 & up)-This program was designed with the serious dancer in mind. Highly recommended for HADC dance team members and those students interested in being on our competitive team. *This program is designed for summer session only.*

This two-hour class will be co-taught by HADC instructors Richelle Saucedo & Christina Monaco. The first hour will focus on toning the dancer, working on flexibility, core work and strengthening exercises. The second hour will focus on jazz technique, turns and tricks.

*Boys Hip Hop -A popular class for boys due to its high-energy and fast-paced style including exciting moves such as popping and locking. Great fun, impress your friends.

*Boys Tap- Ever heard of TAP DOG? These cool guys all started out in a class just like this one. Learn the basic rhythm and traditional tap moves. Feel the Beat in your feet with our energy packed 30 minute tap class just for boys.

*Making the Cut-Drill Team with Christina- comprehensive drill team program covering; pom-pom, jazz, high, kick, Leaps & Turns. A must class if you are considering trying out for high school dance team, collegiate dance team or a returner keeping up your skills during the summer.

*Teen Combo, ballet / Jazz-13 & up-This is the class for those of you who wished you would have stayed in dance class or who always wanted to take dance class but didn't want to be in a class with younger kids. It includes intro to ballet and jazz. Don't wish, now is your time to start dancing.

*ZUMBA is a fusion of Latin and International music - dance themes that create a dynamic, exciting, effective fitness system! The routines feature aerobic/fitness interval training with a combination of fast and slow rhythms that tone and sculpt the body.

*Tumbling (ages 3-5)-Richelle will introduce the proper way of doing forward rolls, backward rolls, straddle rolls, handstands, with a proper progression to include such tricks as cartwheels and round-offs. Stretching exercises are always an integral part of Richelle's tumbling program.
